

Internet2 Individual Contributor Software License Agreement

To clarify the intellectual property license granted with contributions of software from any person or entity (the "Contributor"), Internet2 would like to have an Internet2 Contributor License Agreement (this "Agreement") on file that has been signed by the Contributor, indicating agreement to the license terms below.

Please complete this Agreement and send it by facsimile to Internet2 at +1-734-913-4255, or e-mail scanned PDF to CFO@internet2.edu, followed by regular mail to: Internet2, 1000 Oakbrook Drive, Suite 300, Ann Arbor, MI 48104 U.S.A, Attn: Chief Financial Officer.

Please read this document carefully before signing and keep a copy for your records. A signed copy will be returned to you. (Note: If the Contribution is owned by a corporation, company or other organization that is your employer or for which you provide services, you are not an individual contributor; please use the Internet2 Company Contributor Software License Agreement.)

In recognition of the promises contained herein and certain other consideration, the receipt and sufficiency of which is hereby acknowledged, you and Internet2 hereby accept and agree to the following terms and conditions:

1. The term "Contribution(s)" means any or all of your contribution(s) of any kind including object code, source code and documentation to the Project identified on this form, however and whenever submitted to the Project, either before or after execution of this Agreement, excluding any submissions that are specifically designated in writing by you as "Not a Contribution."
2. You hereby grant to Internet2 and to the recipients to whom Internet2 distributes the Contribution(s), a perpetual, world-wide, irrevocable, non-exclusive, no-charge, royalty-free, fully transferable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute the Contribution(s) and such derivative works. Except for the rights granted in this paragraph, you reserve all right, title and interest in and to your Contribution(s). You also agree not to assert any intellectual property right against Internet2 or any of its members or any recipient of the Contribution in connection with their use of the Contribution. Nothing in this Agreement is to be construed as granting to either you or Internet2, or any third party, any right in the trademarks or trade names of any party.
3. You represent and warrant that you are legally entitled to and have all necessary power and authority to grant the above license. If your employer(s) have rights to intellectual property that you create, you represent and warrant that you have received permission to make the Contributions on behalf of that employer, or that your employer has waived its rights to your Contributions, at least to the extent required for you to grant the above license.
4. You represent and warrant that, except as otherwise disclosed in your Contribution submission(s), each of your Contributions is your original creation. You represent and warrant that your Contribution submission(s) includes complete details, to the best of your knowledge on the date that you submit the Contribution, of any license or other restriction (including, but not limited to, related patents, trademarks and trade secrets) associated with any part of your Contribution(s) (including a copy of any applicable license agreement). You agree to notify Internet2 of any facts or circumstances of which you become aware that would make your representations and warranties in this Agreement inaccurate in any respect.

5. You are not expected to provide support for your Contributions, except to the extent you desire to provide support. Your Contributions are provided **“AS-IS”**, with all faults, defects, and errors, and, except as otherwise provided herein, without warranty of any kind, (either express or implied) including, without limitation, any implied warranty of merchantability and fitness for a particular purpose and any warranty of non-infringement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as of the latter date set forth below.
