General Session Agenda

- IDEA and Richard Rose Awards
- Strategic Planning Update
- Economic Stimulus Update
- Keynote: Russ Housley, IETF
Internet2 IDEA Awards

Jack Suess
Chair, IDEA Awards Judging Committee,
Member, Applications, Middleware, and
Services Advisory Council
Vice President of IT and CIO, UMBC
Internet2 IDEA Awards

Concept

• Internet2 IDEA Awards recognize exemplary uses of advanced networking with substantial impact and benefit

• www.internet2.edu/idea
Internet2 IDEA Awards
Judging Panel

- Jack Suess, Chair
  UMBC
- Jacqueline Brown
  University of Washington
- Wendy Huntoon
  Pittsburgh Supercomputing Center
- Tom Knab
  Case Western Reserve University
- Alan Whitney
  MIT Haystack Observatory
- Farnam Jahanian
  University of Michigan
Internet2 IDEA Awards
Judging Criteria

• Magnitude of positive impact on current users
• Technical merit of the application
• Breadth of impact, current and expected
Internet2 IDEA Awards
Honorable Mention

The Muse – K20 Social Networking Site

Development collaborators from MAGPI, MCNC, the University of Pennsylvania, and the University of Washington.

http://k20.internet2.edu/
Internet2 IDEA Awards
Honorable Mention

The DRAGON (Dynamic Resource Allocation via GMPLS Optical Networks) project

Development collaborators from University of Maryland, Mid-Atlantic Crossroads (MAX), University of Southern California Information Sciences Institute (ISI) East, and George Mason University.

Internet2 IDEA Awards
2009 Winner

Enabling Virtual Organizations (EVO)

Development collaborators from The California Institute of Technology (Caltech)
EVO Objectives

- Provide a global-scale robust real-time collaboration service to the LHC experiments and other major research and education programs
- Support and foster much more effective collaboration, across the full range of working environments from laptop to conference room to control room and auditorium
- Build and operate a system that can support the entire research and education community, on a global scale
- Design, build and evolve a system that can do all this, Operated by a Small team, with the required high level of functionality, and Low Cost
EVO: A Unique End-to-End Self Managed & Secure Infrastructure for Collaboration; Integrating all protocol and conferencing system.

Richard Rose Award

Louis Fox, Director
Internet2 K20 Initiative
Internet2
Richard Rose Award Winner
Carol Willis
Manager of the Texas Education Telecommunications Network (TETN)
Internet2
Strategic Plan Implementation Update

George Loftus, Chair
Strategic Plan Execution Committee (SPEC)
Executive Director of OSHEAN
Many thanks to the following Internet2 staff for their efforts in the creation of this interactive web-based portal that allows the community to view the progress toward implementation.

- Ann Doyle, Internet2 Staff Coordinator
- Doug Howell (Portal Developer)
- Beth Miller
- Sharon Moskwiak
- Lauren Rotman
Thank you to the members of the community teams who worked tirelessly with the Internet2 staff in defining and refining the white papers.
The Strategy Portal provides an overview from the actual plan to the white papers that address the eight strategies and their associated tasks.
American Recovery and Reinvestment Act (ARRA)

Gary Bachula
Internet2 Vice President of External Relations
Russ Housley
Chair of the Internet Engineering Task Force (IETF)
Second General Session
April 29, 2009
10:30am EDT

• Dr. Barbara Alving, Director of the National Center for Research Resources at the National Institutes of Health

• Live Telehealth Demonstration with the U.S. Department of Veterans Affairs and Cisco
